

What to Expect From Your Mobile Visit

Pink Mobile Labs — Miami-Dade · Broward · Palm Beach

Before your visit

- We'll confirm your appointment window within 1 business hour by text or WhatsApp (754-217-7569).
- Hydrate well and wear something comfortable with easy sleeve access for blood draws or IVs.
- Have a clean, well-lit surface available (kitchen table, desk, or nightstand works great).
- For fasting labs: no food 8–12 hours before, water is OK.

When we arrive

- Your licensed nurse or phlebotomist arrives in PML uniform with sterile, single-use supplies.
- Quick ID + intake, then the visit itself — typically 20–45 minutes depending on service.
- For IV therapy, you can relax, work, or watch TV during the drip.
- For fingerprinting, we're FBI-channeler certified — results processed digitally.

After your visit

- Lab results delivered securely within 24–48 hours in most cases.
- Superbill and HSA/FSA-eligible receipt available on request.
- Follow-up questions? Reply to your booking thread or WhatsApp us at 754-217-7569.

Fees you should know about

- Last-minute booking (within 5 days): \$250
- Out-of-network travel convenience: \$29.99
- COVID/flu exposure enhanced protocols: \$75

Privacy & compliance

- HIPAA-aligned — your PHI is never stored in the chat or on our public site.
- For STD/STI testing, we handle everything privately at booking, not in open channels.
